Photofy marries branded content creation with personal networks in one easy to use tool. By leveraging the connection and reach of employee and contractor networks, users can localize and scale digital content creation. LIBOR can now create their own custom-branded galleries for the app, filled with templates and ready-to-share content for their members.

LIBOR offers members a free local safety alert program to keep you informed on when safety is threatened in your market in addition to annual safety programming and resources online year round. You cannot put a price on your life!

LIBOR provides members with access to national reports as well as NAR research reports tailored to our local Long Island market, such as the International Buyers/Sellers Profile and LIBOR Member Profile. Members can use the data they contain to improve business through knowledge of the latest trends and statistics. Get the data you need to help scale your business and impress your clients!

LIBOR hosts a variety of RPAC events throughout the year to help get elected the candidates who support REALTOR® interests. Relationships with key lawmakers and community stakeholders is crucial in the fight for preserving property rights and fair housing for all! Contributing to RPAC also saves you money in the long run! Your dollars help RPAC advocate for tax reforms and reductions in burdensome regulations.

LIBOR members have access to RPR® (REALTORS® Property Resource) which provides comprehensive data, powerful analytics, tools and property reports to help you do your business, “wow” your clients and close more deals.

LIBOR offers two conveniently located service centers, providing members with the flexibility, support, and resources for business success. Each location is professionally staffed to deliver exceptional, personalized service.

Don't miss a beat! Stay connected to LIBOR's social media platforms to take advantage of all your membership benefits and stay up-to-date on relevant industry news for business success!

LIBOR members enjoy live webinars featuring valuable information for your business, with recordings available so you never miss out. Topics like business planning, REALTOR® tax strategies, OneKey MLS® tools, and more are designed to help members save money in their daily practices while unlocking unlimited earning potential.

LIBOR's refreshed website gives members the information they need to keep their businesses running. From forms, onboarding information and Fair Housing updates, to webinars, online education, and everything in between, LIBOR has got you covered! Let our new consumer site be the resource for your clients and prove why working with a REALTOR® makes a difference!
